NEWS

* The Twain (back gate) is to be used as *RESIDENT EXIT or EMERGENCY ACCESS ONLY!*

Any further non-emergency entrance use of the Twain gate will be a Pima County violation.

*Immediate Fines:

- Using the Twain gate as an entrance
- Entering Lessing Gate through the exit side (and vice versa).
- Street Parking on Street Sweep Days (Every other Friday. Reminder sign will be posted at the front gate).

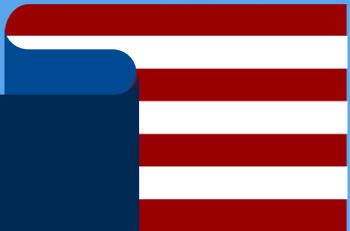

Friendly Reminders:
Monsoon Season has officially begun!

*Our biggest concern is to maintain palm trees. Fall or lightning strike damage is a safety risk to the neighborhood. The board of directors will be conducting a walk-through to inspect tree maintenance.

Tree trimmings are not to be dumped in neighborhood washes (This is considered illegal dumping per Pima County)

ASK US ABOUT OUR REIMBURSEMENT PROGRAM AND SEE IF YOU QUALIFY!
